**Bachelor of Fine Arts in Animation**

**Expected May 2023**

**Bachelor of Arts in Digital Media - Game Development**

Savannah College of Art and Design, Savannah GA

### Collaborative Projects

**Love at First Light: Daniela Shuping**

**2022-2023**

Technical Director, Lead Animator

Worked as Technical Director and Lead Animator on a capstone film on a team of 10 students. Responsibilities included working closely with the leads to come up with technical solutions to achieve the desired look, answering technical questions, organizing shot assignment, providing critiques, and animating complex shots

**The Witch the Wizard and the Pickle Jar: Leah Blatteis**

**2022**

3D Animator, Character Modeler, Texturer

Worked as a 3D character animator and generalist on a student film created in 10 weeks. Responsibilities included creating character models, applying textures to all characters and props, animating 2 complex shots, and polishing one other.

**Home Security: Malani Rodrigue**

**2021**

3D Animator

Worked as a 3D character animator on a student film for a class created in 10 weeks. Responsibilities included animating and lighting 4 shots and providing support to other team members by answering technical questions and providing critiques.

### Work Experience

**The World Games**

**2022**

Freelance Digital Artist

Commissioned to create digital illustrations of the mascots of the 2022 World Games. Worked closely with the Marketing and Creative team to deliver accurate and appealing depictions of the characters. Illustrations were used in digital marketing ads and life size cutouts for photo opportunities.
